

Table 11. Stations at the end of the reporting page

Station	Region	Depth	Status
Delta-1	North	11.2	active
Delta-2	South	16.8	active
Delta-3	West	22.5	closed
Delta-4	East	27.9	active
Delta-5	North	33.1	closed

The field team continued its regional survey after dawn.

These four aligned fragments form one sentence, not a continuation row.

The narrative then resumes across the full text width on the second page.

No word on this page belongs to the station table on the previous page.
